My personality and training taught me that failure is not an option, and getting the attention of the beautiful executive president Harper Mathis is going to be my biggest challenge yet. But first I've got to find out why she's so withdrawn. A woman that stunning must have secrets and I'm going to find out what's hiding behind those baby blue eyes of hers. She'll quickly see how much I love a good game of chase.HARPERI've gone through hell and am not ashamed to admit that I'm broken. Damaged goods. Used up and empty. I want nothing to do with men or love, especially not a cop and a veteran - one who puts his life in danger every day. I've been there, done that, and my heart has no interest in someone like Detective Mason Oliver. Even if he's the hottest thing I've laid eyes on in a very long time. I get the feeling Mason always gets what he wants, though. Well, he hasn't seen my stubborn side.
