Humans think shes gone over to the side of the monsters. The vampires fear that their new king has fallen under the spell of the most powerful necromancer in a thousand years. In the midst of wedding preparationsincluding getting Edward, aka U.S. Marshal Ted Forrester, fitted as best manAnita gets a call that the local police need her expertise at a brutal murder scene linked to a nationwide slaughter of vampires and humans, dubbed the Sunshine Murders. But there is more than just a murderer to catch an ancient evil has arrived in St. Louis to challenge Jean-Claude for his crown, his life, Anita, and all they hold dear. Even with Jean-Claudes new powers as king and Anitas necromancy, it isnt enough; they must embrace their triumvirate or allow primeval darkness to spread across the country, possessing first the vampires and then the humans.
