Trump, 45th President of the United States The Return is a fantastic political analysis of what very well may be taking place in the not-too-distant future. Dick Morris is a #1 New York Times Bestselling Author, who is also a true political pro. Great book, get it now!!! Donald J. Trump, 45th President of the United States The Trump revolution cannot succeed without Trump. Will he run in 2024? You bet he will. Will he be the GOP nominee? Absolutely. Will he win the election? YES. New York Times bestselling author, Dick Morris, is a winning presidential strategist and the man Time magazine dubbed the most influential private citizen in America. In his new book, The Return Trumps Big 2024 Comeback, lays-out Trumps secret plan to return to the Oval Office in 2024. Since 2016, Dick Morris has been a behind-the-scenes adviser to Donald Trump, playing a key role in Trumps surprise 2016 win. For the first time, Dick Morris reveals President Trumps strategy to win in 2024 (And yes, hes running!). The stakes for the next elections could not be higher. President Trump knows the future of America rests on his shoulders, Morris says bluntly. Morris explains that we cannot repeat 2020 and we cant let the Democrats get away with it again or America is lost. He provides the road map that Trump is prepared to implement in his effort to take-back the White House and the nation. Conservatives and MAGA supporters must realize that there are new rules. The Democrats, Big Media, Soros, and the Deep State have decided Trump must be stopped at any cost. Morris reveals how to beat the Democrats and the radical left at their own game and getting freedom-loving Americans to rise up for Trump and our democracy. Morris outlines the strategy for victory on three fronts Make certain more legal, eligible voters cast ballots for Republicans, and that their votes are not offset by a torrent of illegal ballots. Morris says a new group of Trump voters are emerging who will create a New Majority. The Republican candidate in 2024 will, and must, be Donald J. Trump. Accept no substitutes. As Morris explains, Florida Governor Ron DeSantis is not ready for prime time. The Winning (Trump) Message The Democrats will transform America into a nation none of us will recognize by destroying social, cultural, economic, and political freedoms. Morris says time is short. This election really is critical. With the results of the 2020 election, everything pundits knew or thought they knew is obsolete in this new era of massively higher turnout. Read The Return to find out how conservatives can take advantage of the new rules to make America great again!
