I hate everything about MMA bad boy Jase Rawlins, but the biggest promotion of my life depends on me convincing the world he's reformed. After breaking up with my violent ex, I want nothing else to do with professional fighters.

Unfortunately, my job as a publicist is on the line unless I can turn my ex's biggest rival into a media darling. Jase's infuriating attitude pushes all of my buttons, but the more I get to know him, the more I wonder if I've gotten him wrong. Our chemistry is blazing hot, but if we give in to the attraction, I could lose my job, and Jase could lose his freedom.
