This stunningly illustrated and heartfelt book tells the story of a mother bear and her child, who leave their house on an adventure in search of a star, in a warm tale of love, family and home. Look up at the stars, so high above me. If I could just hold one, how happy I'd be! A parent and child go in search of a star, journeying through dark woods, across rough seas and through snow and ice to the top of Mount Digger-Doo in order to reach their goal, but what will happen when they find it out of reach? This lyrical picture book celebrates adventure, coming home, love and the idea that sometimes what you are looking for is right under your nose. A relaxing and mindful read that's perfect for any parent who is looking to soothe their child at bedtime. This is a lovely gentle book, with comforting rhymes, fantastic illustrations and a fabulous go-getting mother figure. Just imagine.
