NOTE: This is the special edition print of the book Red Thorns. To find the ebook and audiobook, please look for the main edition. A bet turned into a disaster. Sebastian Weaver is the star quarterback and the college's heartthrob. Rich. Handsome. Bastard. Everyone's attention flocked toward him and all the girls dreamed to be with him. Not me. At least, not until he made a move on me. See, I thought I was stronger than Sebastian's charms. I thought I could survive being his target. I thought wrong. Little did I know that he will make my most twisted fantasies come true. Fantasies I didn't know existed... Red Thorns is a dark new adult book that contains dubious situations some readers might find offensive and/or triggering. This is part of a duet and is not standalone.
