How long has your Goliath dominated your days and pilfered your peace? Like David, you know well the presence of Goliath. Your Goliath doesn't carry a sword or shield; he brandishes blades of unemployment, abandonment, or depression. Your giant doesn't parade up and down ancient hills; he prances through your office, your bedroom, your classroom. He brings bills you can't pay, addictions you can't resist, a past you can't shake, and a future you can't face. How long has your Goliath stalked you? Invaded your first thought of the morning and last worry of the night? David knows a little something about facing giants. The shepherd boy seemingly had little to offer against the nine-foot, nine-inch Goliath. You could read his story and wonder what God saw in him. Throughout his life, David fell as often as he stood, stumbled as often as he conquered. But for those who know the threat of a Goliath, David gives this reminder: Focus on Giants You Stumble. Focus on God Your Giants Tumble. Are you ready to face your giant? Let David's story inspire you. The same God who helped him will help you. Extended study guide included.
