An experimental weapon must be deployed to save a US ally from terrorists in the New York Times bestselling authors military techno-thriller. India is the latest target of radical Islamic jihadists. The world watches as tensions escalate between the uneasy giant and its longtime nemesis Pakistan with China waiting in the wings, eager to flex its military might. The only hope of avoiding a nuclear showdown is found inside a top-secret military facility deep in the Nevada desert... Dreamland is where the future of high-tech warfare is conceived and constructed. Now its masterminds are charged with the task of locating the mysterious source of the terror and ending it swiftly and permanently. Every technological wonder in their arsenal is utilized from an awesome new hybrid Navy destroyer to robot Flighthawks. But the fate of the region and the world will depend on the newest brainchild of the Dreamland team: an unproven instrument of ultimate power code-named End Game.
