The start of a brand-new series featuring Navy SEALs who will do whatever it takes to keep their women safe. When introverted cartoonist Remi Stephenson dumps her cheating ex and goes on their Hawaiian vacation solo, even her creative mind can't imagine being purposely stranded in the ocean...with a handsome, muscular, brave Navy SEAL. Even more unbelievable is the spark between them. Surely this is just rebound hormones. Right? Because who finds their soul mate in the middle of a life-or-death situation? And what would a SEAL want with a curvy, nerdy artist, anyway? Of course, none of those doubts stop Remi and Vincent from making plans to get together back in California, even before they're rescued. When Vincent "Kevlar" Hill gets dumped by his ex because she can't handle the demands of his job, he cuts his losses and heads out on the Hawaiian holiday she planned with his money. He has zero interest in a vacation fling...but tell that to his brain and body when he finds himself bobbing in the middle of the Pacific, sans boat, miles from shore, with the most intriguing woman he's ever met. They've both been burned, and Kevlar has no proof Remi can handle his career any better than his ex, but after her calm courage in the face of being stranded, he's willing to take the risk. Remi and Kevlar's attraction runs hot, even as they try to take things slow, but they can't forget that someone arranged for them to be left in that ocean. Maybe it was one of their exes, looking for a little payback. Or maybe it was an unknown enemy, looking for something a little more permanent...and determined to finish the job. \*\*Protecting Remi is the first book in the SEAL of Protection Alliance Series. Each book is a stand-alone, with no cliffhanger endings.
