Three fathers collide far beyond the reach or safety of the law in this breathtaking thriller from the beloved author of *The Stolen Hours* and *The Life We Bury* one of our best crime writers at the top of his game (William Kent Krueger, *New York Times* bestselling author). Max Rupert has left his position as a Minneapolis homicide detective to live in solitude. Mourning the tragic death of his wife, he's also racked by guilt; the only one who knows what happened to her killer. But then the former local sheriff, Lyle Voight, arrives with a desperate plea: Lyle's daughter Sandy and his six-year-old grandson Pip have disappeared. Lyle's certain Sandy's ex-husband Reed is behind it, but the new sheriff is refusing to investigate. When Max reluctantly looks into their disappearance, he too becomes convinced something has gone very wrong. But the closer Max and Lyle get to finding proof, the more slippery Reed becomes, until he makes a break for the beautiful but formidable Boundary Waters wilderness with vulnerable Pip in tow. Racing after the most dangerous kind of criminal—a desperate father—and with the ghosts of their own pasts never far behind, Max and Lyle go on the hunt within a treacherous landscape, determined to bring an evil man to justice, and to bring a terrified child home alive. Allen Eskens . . . produces some of the best cat-and-mouse games I have read. This is a novel that you will not easily forget. *BookReporter* The search for mother and child fuels the brisk plot, but *Forsaken Country* spins on Eskens in-depth character studies. . . . Eskens is at the top of his skills. *Oline H. Cogdill, The South Florida Sun Sentinel* The suspense never flags . . . heart-pounding and heartfelt, *Forsaken Country* should be at the top of your to-be-read list. Heather Gudenkauf
