New from Lori Wick, this stand-alonestory shows how unexpected changes can set the perfect course for love. 1945, WWII-When Lieutenant Donovan Riggs experiences trouble with his PT boat, the sailors of Every Storm make an unscheduled stop...and a surprising discovery. Lorraine Archer is an American teacher living and working in Australia. While on a flight with her sister, her daydreams are disrupted by the sounds of the plane going down. Lorri ends up alone on a deserted island in the Pacific. And just when she loses all hope of being found...Donovan and his crew arrive. Neither Donovan nor Lorri suspect that their encounter is the beginning of something very certain...a future not left to chance, but to faith.
