Me and Will. Will and Me. A perfect match. He said he would always be there for me, but it's been a year since he drained his coffee, walked out the front door and vanished. Did he leave me? Or did something terrible happen? I'm scared someone finally found out about what happened on the drive home that night... I lie awake at night trawling the internet for rental properties, desperate for an escape. Until I see my husband's gorgeous face smiling back at me from a photograph on the fireplace in someone else's home, and something inside of me snaps. At the house, I find no trace of him and the woman who lives there has no idea who I am. But I'm certain she's hiding something behind the locked door upstairs. I know that if I want answers, I have to stay. You might think that what's inside that room is the answer to all my questions and the end of all my pain. But it's only the beginning... Nail-biting and completely gripping, The Happy Couple will make you question how well you really know the ones you love. Perfect reading for anyone who adored by The Wife Between Us, The Girl on The Train or Gone Girl. Readers are loving The Happy Couple: 'WOW!... A MUST READ!!!'
