Pamela Paterson and the Knit and Nibble ladies have plenty of talents that don't revolve around yarn. But their penchant for patterns has led to a dangerous hobby they just can't quit unraveling murders. Most times of the year, the tight-knit community gardens in quaint Arborville, New Jersey, overflow with seasonal vegetables and herbs. But who planted the dead body? Farm-to-table enthusiast Jenny Miller had a cookbook in the works when she was suddenly found strangled by a circular knitting needle in her own plot. Now, the pressure is on Pamela and her neighbor Bettina as they weave together clues in search of the person who kept Jenny's renowned heirloom plants and budding career from growing. With suspects and victims cropping up like weeds, it'll take a whole lot more than green thumbs and creative minds this spring to entangle the crafty culprit...
