Be prepared to fall in love with this adorable collection of ten amigurumi puppies designed by Ilaria Caliri. From a spotted Beagle ready to take a walk with his own leash to a darling Scotty waiting for dinner with his own bowl, each puppy is a different breed with his or her own personality. Follow the detailed instructions and full-color photographs to help you create all ten puppies. Kit includes material for a pair of boy and girl puppies. Includes 4 balls of yarn in 4 different colors; crochet hook; embroidery needle; two pairs of plastic eyes; bag of stuffing black embroidery floss.
