Collects Patricia Briggs' Mercy Thompson: Homecoming #s 1-4! Mercy Thompson is a walker, a magical being with the power to transform into a coyote. She lives on the fine line dividing the everyday world from a darker dimension, observing the supernatural community while standing apart. When Mercy travels to the Tri-Cities of Washington for a job interview, she quickly finds herself smack-dab in the middle of a gang war between rival packs of werewolves. And as if fangs and fur weren't bad enough, Mercy must deal with the scariest creature of all: her mother, who is convinced that Mercy is making a mess of her life and determined to set her daughter on the right course. The thrilling adventures of Mercy Thompson-Moon Called, Blood Bound, and Iron Kissed-have topped the New York Times bestseller list. Now Mercy makes her comics debut in an exclusive new story created by Patricia Briggs. Mercy Thompson: Homecoming is sure to please longtime fans and capture new ones with its mix of unforgettable characters and thrilling supernatural intrigue.
