For the first time ever, Ali Reynolds and Joanna Brady, New York Times bestselling author J.A. Jances popular series sleuths, join forces to solve a terrifying crime in this exclusive enovella that has everything you want in a thrillerpage-turning action, breathtaking twists and turns, edge-of-your-seat suspense, andLegos.A semis gone over the embankment. The call wakes Sheriff Joanna Brady in the middle of the night, but what brings her fully alert is the rest of the story. The driver didnt drift off to sleep and cross the center linehe was shot, multiple times, by someone with serious firepower. And when the truck crashed through the guardrail, its payload wound up scattered all over the roadboxes upon boxes of Legos.Legos that are being tracked by B. Simpsons security firm to reduce black market salesand Ali Reynolds is just the woman to get to the bottom of the crime. She has the tech and the intel to follow the money (or, in this case, the Legos), which makes her a valuable asset to Joannas team. Soon these two strong women realize that theyre not just sharing a case, theyre kindred spiritswhich is paramount, because the killer theyre up against is anything but childs play.
