Lights, camera, assassin...A Hollywood movie shoot comes to town and journalist Cendrine West is eager for a scoop. Her witchy family also wants in on the action, but shenanigans with the stars soon turn to Tinseltown tragedy. Bodies are piling up faster than a coven's worth of curses, and everything points back to Cen's starstruck family. They will stop at nothing in their quest for supernatural stardom, even if that means meddling in a murder investigation. The witches have created one spell of a mess and given the killer a chance to get away with murder. Cen resorts to her own blend of supernatural justice to keep her family in check, but can she unmask the killer before he strikes again? Welcome to the wild, wild Wests! Witch & Famous is for fans of a paranormal mystery, cozy mystery, and wickedly funny witches. This book can be read as a standalone mystery, but if you want to know more about the Westwick Witches and their family history, you can start with book 1: Witch You Well. "Bewitched meets Miss Marple...you will love it!" - Reader review "...A bewitching, supernatural treat. If you love witch cozy mysteries you'll love Cendrine West and her wacky witch family!" - Reader review "...One of the best paranormal mystery books I've read in awhile. An imaginative detective mystery that combines the best mysteries of an Agatha Christie whodunit novel with a Harry Potter fantasy book, this is magic for grown-ups!" - Reader review From the author: Westwick Corners isn't your typical small town. Or even a normal ghost town. It's where people go not to be found, and witches go to work their magic without attracting too much attention. The combination makes for some interesting and humorous mysteries, and the witches are always at the center of the action! Ruby's cooking, Cendrine's amateur sleuth and investigator activities, and Aunt Pearl's magic school are always looking for that one secret ingredient that will propel the witches to fame and fortune and put the small town of Westwick Corners back on the map again. The witches are forever cooking up new business opportunities like The Westwick Corners Inn, The Witching Post Bar and Grill, and of course, Pearl's Charm School, where witches go to unravel riddles, spin magic spells, and create their own witch mysteries. Too bad they are forever getting distracted because there are always strange things happening in Westwick Corners, from petty crime to murder. The West family has always been in Westwick Corners and always will be. They descend from a long line of witches who have inhabited Westwick Corners from the beginning. Witches who unlock mysteries, solve crime, and help those in need. They are collectively a kind of a witch of all trades, because pitching in--or is it witching in-- is what you do in a small town. Everyone helps out. Even Grandma Vi the ghost investigates and sleuths. But when everyone pulls together, it's not always in the same direction! If you like a good puzzle, a good laugh, and a good witch mystery series, you'll love these cozy mystery books! Available both as ebook cozy mystery books and cozy mystery paperbacks. I am writing the next book in this series of paranormal cozy mysteries and as long as readers like you enjoy these humorous cozy mysteries I will keep on writing them. Thanks for reading!
