Could you love a man whos surrounded by danger?Gigi Gallos childhood was filled with the roar of a motorcycle and the hum of a tattoo gun. Fresh out of college, shes about to start working at her familys tattoo studio Inked. But when she shows up the first day, she never expects to run into someone tall, dark, and totally sexy from her not-so-innocent past. Pike Moore is a bossy biker with a cocky attitude and an even bigger ego. He came to Inked to start over. New town. New job. New roots. None of that included coming face-to-face with the hot chick who spent a week in his bed before she vanished without a trace. But when Pikes dark family history catches up with him, can he stop Gigi from being caught in the crossfire? Flame is book one in the Men of Inked Heatwave series by USA Today bestselling author Chelle Bliss. The Men of Inked Heatwave series features steamy romance, hot heroes, and strong women.
