With wit and daring, a master thief battles cops, crooks, and killers in the classic series that inspired the Netflix show Lupin. In Paris, six women have vanished, only to be found a week later, emaciated and disfigured, their skulls split open. What little evidence the police have suggests that the murderer is a woman and that she is preparing to strike again. When Prince Rnines lover disappears on a cold night in October, he fears that she is about to become the latest victim. Most noblemen would be helpless to rescue her before the hatchet falls, but Rnine is an alias of Arsne Lupin, the worlds greatest thief, and he will stop at nothing to catch the killer. Fearsome creatures may lurk in the back alleys of Paris, but none is as dangerous, or as brilliant, as Arsne Lupin. This ebook features a new introduction by Otto Penzler and has been professionally proofread to ensure accuracy and readability on all devices.
