Bestselling author and Edgar-Award finalist Paul Doiron knows Maine better than just about anyone, and in this series that follows Maine game warden Mike Bowditch, he proves it. Here together for the first time in one thrill-ride collection are the first three books in the critically acclaimed series: *The Poacher's Son* Set in the wilds of Maine, this is an explosive tale of an estranged son thrust into the hunt for a murderous fugitive-his own father. *Trespasser* On a fog shrouded road in Maine, a young woman disappears after hitting a deer with her car. When Bowditch is called to investigate, he uncovers a web of lies and deceit that leads to a killer who may have already gotten away with murder. *Bad Little Falls* Doiron delivers another "masterpiece of high-octane narrative" (Booklist) in this harrowing thriller about the hunt for a murderer at the height of a major snowstorm.
