NATIONAL BESTSELLER An exhilarating blend of autobiography and mythology, of world and self, of hot rage and cool analysis. First published in 1976, it has become a classic in its innovative portrayal of multiple and intersecting identitiesimmigrant, female, Chinese, American. NATIONAL BOOK CRITICS CIRCLE AWARD WINNERA classic, for a reason.Celeste Ng, bestselling author of Little Fires Everywhere and Our Missing Hearts, via TwitterAs a girl, Kingston lives in two confounding worlds the California to which her parents have immigrated and the China of her motherstalk stories. The fierce and wily women warriors of her mothers tales clash jarringly with the harsh reality of female oppression out of which they come. Kingstons sense of self emerges in the mystifying gaps in these stories, which she learns to fill with stories of her own. A warrior of words, she forges fractured myths and memories into an incandescent whole, achieving a new understanding of her familys past and her own present.
