Over 50 step-by-step recipes for stunning outdoor planters of all shapes and sizes, in Artisans bestselling flower recipe book format. We're taking the Recipe Book series outside! In the Container Garden Recipe Book, Lana Williams of the Oakland-based Tender Gardener offers readers dozens of step-by-step recipes for lush outdoor planters, from classic terra-cotta pots to window boxes, urns, bowls, and more. There are recipes specifically designed to adorn your porch or patio (a rustic birdcage-cum-hanging basket, a stately Japanese maple planted in a painted terra-cotta urn) and others that are perfect for backyard entertaining (an elegant tabletop trough of succulents, a concrete water garden that's sure to be a conversation starter). And with Lana as their guide, readers' yards will never be bare thanks to creative designs for all seasons, from urns bursting with spring bulbs to a summer trough brimming with fresh herbs and an heirloom pumpkin converted into the perfect home for fall blooms. And recreating these stunning designs couldn't be simpler! Each recipe includes a detailed ingredients list and step-by-step instructions, along with hundreds of photos showing where and how to place each plant. Also included is foundational information on planting techniques, care instructions, choosing the right container, as well as plant spotlights highlighting foolproof options for all climates and seasons, from spring bulbs to evergreens.
