"[A] feast of female empowerment, positive friendships, feel-good moments, and social satire." NPR A jolt of electricity, a blast of fresh air everything delightful and exciting you could want it to be. The New York Times Book Review Meet the Union of the Rakes a new Regency romance series inspired by the Breakfast Club and other classic 80s films! In the first book, a blue stocking enlists a faux suitor to help her land an ideal husband only to be blindsided by real desire Lady Grace Wyatt is content as a wallflower, focusing on scientific pursuits rather than the complications of society matches. But when a handsome, celebrated naturalist returns from abroad, Grace wishes, for once, to be noticed. Her solution to build the perfect man, who will court her publicly and help her catch his eye. Grace's colleague, anthropologist Sebastian Holloway, is just the blank slate she requires. To further his own research on English society, Sebastian agrees to let Grace transform him from a bespectacled, bookish academic into a dashing albeit fake rake. Between secret lessons on how to be a rogue and exaggerated public flirtations, Grace's feelings for Sebastian grow from friendship into undeniable, inconvenient, real attraction. If only she hadn't asked him to help her marry someone else... Sebastian is in love with brilliant, beautiful Grace, but their bargain is complete, and she desires another. Yet when he's faced with losing her forever, Sebastian will do whatever it takes to tell her the truth, even if it means risking his own future and his heart. *One of Oprah Magazine's Best Historical Romances to Read*
