Light-hearted, fun, fantasy adventure. Perfect for young adults or those young at heart! An epic fantasy series with a slight sci-fi twist. Reads like a combination between Avatar The Last Air Bender and Lord of the Rings. If you love journeys filled with magic, danger, and intergalactic travels, you'll be enchanted with Spirit's Entwined! It'll take you on the adventure of a lifetime with young friends Kylie and Mory as they discover an astonishing secret about Kylie's past, which catapults them into a thrilling future. Growing up in a world where magic is weakened, Kylie never thought there was anything special about her, until her home is attacked by forces beyond reckoning. Now, she has a long road ahead to understand who and what she is. Let's go with her and keep her safe because the fate of the entire universe hangs in the balance. With the twists of fate unknown to even the greatest of seers, the Spirit Master and comrades will not only have to battle creatures, dangers, and trials beyond their wildest dreams but their own inner demons as well. Adventuring in an unknown and beautiful land filled with various sources of magic, they will take their first steps towards saving not only the worlds they know but worlds they have only just discovered, all the while finding love and forging the deepest of friendships. The stories and books they have read and dreamed about while staring into the stars cannot come close to their actual experience once they've begun their journey. Time will halt, as it does when its passing no longer has meaning, and strengths far beyond those of the physical sense will manifest in all who undertake this prophetic quest.
