"A sharp thriller to devour in a single sitting." Jessie Weaver, author of Live Your Best Lie Be careful who you fall for... Robbie and Trevor Cresmont have a body count the killer kind. Handsome and privileged, the Crestmont brothers have enough wealth to ensure they'll never be found guilty of any wrongdoing, even if all of Happy Valley believes they're behind the deaths of their ex-girlfriends. First there was soccer star Victoria Moreno, Robbie's ex, who mysteriously drowned at the family lake house. Then, a year later, Trevor's girlfriend died of a suspicious overdose. But the Crestmonts aren't the only ones with secrets. Lauren O'Brian might be the new girl at school, but she's never been a good girl. With a dark past of her own, she's desperate for a fresh start. Except when she starts a no-strings-attached relationship with Robbie, her chance is put in jeopardy. During what's meant to be their last weekend together, Lauren stumbles across shocking evidence that just might implicate Robbie. With danger closing in, Lauren doesn't know who to trust. And after a third death rocks the town, she must decide whether to end things with Robbie or risk becoming another cautionary tale. This is an edge-of-your-seat debut YA thriller about a teen who is forced to confront her past in order to catch a murderer before she ends up the next victim. Perfect for fans of Karen McManus and Holly Jackson.
