Relive the adventure of the Walt Disney Animation Studios newest film, Encanto, in this book with a movie projector and 5 included discs with 20 beautiful images! Encanto tells the tale of an extraordinary family, the Madrigals, who live hidden in the mountains of Colombia, in a magical house, in a vibrant town, in a wondrous, charmed place called an Encanto. The magic of the Encanto has blessed every child in the family with a unique gift from super strength to the power to heal every child except one, Mirabel. But when she discovers that the magic surrounding the Encanto is in danger, Mirabel decides that she, the only ordinary Madrigal, might just be her exceptional family's last hope. The film features all-new songs by Emmy (R), GRAMMY (R) and Tony Award (R) winner Lin-Manuel Miranda (Hamilton, Moana) and is directed by Byron Howard (Zootopia, Tangled) and Jared Bush (co-director Zootopia), co-directed by Charise Castro Smith (writer The Death of Eva Sofia Valdez) and produced by Clark Spencer and Yvett Merino.
