I was his biggest regret. He was my greatest adventure. Every girl dreams of falling in love with a prince. When I met Jeremy, I thought he was my prince. Caring. Compassionate. Sensitive. And, unfortunately for me, not attracted to women. So here I am, thirty years old and divorced when most of my friends are just getting married. In desperate need of a restart, I set off on a road trip to learn how to love myself again. The last thing I expected was to meet him. Anderson North. Mysterious. Enigmatic. Sexy as hell. And, after a malfunction with my rental car, my new road companion. As we travel along Route 66, I find myself experiencing a connection I never have before. We share our truths, our secrets, our fears. Can I give this man a piece of my heart after having it broken? Can I learn to trust again after having that trust betrayed? When he reveals his deepest secret, can I look beyond the lies and toward the only thing that matters? I've always dreamed of finding my very own Prince Charming. Maybe my prince is Anderson North. Royal Games is a stand-alone heartwarming road trip romance with a royal twist. Pick up your copy today and strap in for the adventure of a lifetime.
