NATIONAL BESTSELLERThe New York Times bestselling author of *The Invited* will shock you with a simmering psychological thriller about ghostly secrets, dark choices, and the unbreakable bond between mothers and daughters. "One of the year's most chilling novels." *The Miami Herald* West Hall, Vermont, has always been a town of strange disappearances and old legends. The most mysterious is that of Sara Harrison Shea, who, in 1908, was found dead in the field behind her house just months after the tragic death of her daughter. Now, in present day, nineteen-year-old Ruthie lives in Saras farmhouse with her mother, Alice, and her younger sister. Alice has always insisted that they live off the grid, a decision that has weighty consequences when Ruthie wakes up one morning to find that Alice has vanished. In her search for clues, she is startled to find a copy of Sara Harrison Shea's diary hidden beneath the floorboards of her mother's bedroom. As Ruthie gets sucked into the historical mystery, she discovers that she's not the only person looking for someone that they've lost. But she may be the only one who can stop history from repeating itself.
