Encounter the monstrous folk of Droaam, the goblinoid Heirs of Dhakaan, the Mror dwarves and their Realm Exploring Eberron presents Keith's vision of Eberron like never before, with fresh lore and rich illustrations to bring the setting to life. In addition to a full chapter focused on the town of Threshold and its denizens, this book will contain expanded locations, power groups, adventures hooks, and monsters that can be found on the frontier, along with a host of character options. Frontiers even has the same team , · Original announcement source: Frontiers of Eberron. In the coming months, we will continue to tease Just like Exploring Eberron, Frontiers of Eberron: Threshold will be released on the dmsguild in print on demand hardcover and pdf. It will be available both in PDF and print when it is launched on Dungeon Masters Guild in! In this book, Keith takes players and Dungeon Masters on a thrilling dive into the world of Eberron. Frontiers of Eberron: Threshold (Project: FRAG) is designed by Keith Baker, supported by the talents of Will Brolley, Laura Hirsbrunner, and Wayne Chang, along with an expanded group of playtesters. Then Threshold will be released as a system agnostic lore book featuring a border area between a Missing: pdf Join Eberron setting creator Keith Baker for another journey across the realms of Eberron, from the trackless void of the Astral Plane to the unknown depths of the Barren Sealt will be available both in PDF and print when it is launched on Dungeon Masters Guild in! Just like Exploring Eberron, Frontiers of Eberron: Threshold will be released on the dmsguild in print on demand hardcover and pdf. I'm planning on making a Droaam campaign set centering the monsters of Droaam and foreign intervention (from Aundair, Breland, House Tharashk, and the Dhakaani) so this is really exciting! We are proud to reveal Frontiers of Eberron: Threshold, a sourcebook that will provide everything you I asked him and he said that if this is well received, then a Frontiers of Eberron: Hope (his Q'abara campaign that he's written about a few times) is definitely on the table Most of the Eberron specific stuff will be in the upcoming Quickstone book. Frontiers even has the same team listed (Will, Laura, Wayne), which is a different team than the one that worked with Keith for Morgrave Miscellany (Ruty Rutenberg and his friends) But for a book with "Frontiers" in the title, I'd think it would be focused on places that aren't, y'know, the "main" continent.
