Two exes reunite in this second chance romance from #1 New York Times bestselling author, Debbie Macomber. Located 50 miles into the Arctic Circle where a population of 150 people mostly men reside, Hard Luck is in deep need for more women. It's up to the O'Halloran brothers and their bush-plane charter service called Midnight Sons, to bring women to the community. Matt Caldwell, Charles O'Halloran's brother-in-law, is an easygoing charmer who's recently moved to Hard Luck. He's begun to renovate the O'Halloran's old lodge but he's also begun a strategy to win back his ex-wife starting with a Valentine card. Karen Caldwell is still in love with her ex-husband. Her reaction to him at his sister's wedding and afterward certainly proved that. It also left her pregnant. Now Matt wants her to marry him again, to live with him in the lodge at Hard Luck. And not just because of the baby! Previously published
