Winner of the Locus Award for Best Novel Finalist for the Hugo Award for Best Series Jade Legacy is the page-turning conclusion to Fonda Lees World Fantasy Award-winning series, a gripping saga with magic and kungfu set in an Asian-inspired fantasy metropolis. BLOOD FOR THE CLAN. MAGIC FOR THE WORLD. ANYTHING FOR FAMILY. Jade, the mysterious and magical substance once exclusive to the Green Bone warriors of Kekon, is now coveted throughout the world. Everyone wants access to the supernatural abilities it provides. As the struggle over the control of jade grows ever larger and more deadly, the Kaul family, and the ancient ways of the Kekonese Green Bones, will never be the same. Battered by war and tragedy, the Kauls are plagued by resentments and old wounds as their adversaries are on the ascent and their country is riven by dangerous factions and foreign interference. The clan must discern allies from enemies, set aside bloody rivalries, and make terrible sacrifices . . . but even the unbreakable bonds of blood and loyalty may not be enough to ensure the survival of the Green Bone clans and the nation they are sworn to protect. Praise for the Green Bone Saga Lees series will stand as a pillar of epic fantasy and family drama. Library Journal (starred review) Jade City has it all a beautifully realized setting, a great cast of characters, and dramatic action scenes. What a fun, gripping read! Ann Leckie An instantly absorbing tale of blood, honor, family, and magic, spiced with unexpectedly tender character beats. NPR The Green Bone Saga Jade City Jade War Jade Legacy
