Sucked into the high stakes world of Paranormal Roller Derby, she finds herself "recruited" by a squad of vampires who need a human player to complete their teamjust in time to save the league from losing it all.Between learning to play derby well enough to kick butt on the track, crushing hard on the dreamy team captain, and navigating the spooky rules of the supernatural, how can Mina go from striving to be a ten alone, to becoming one of nine chaotic bodies forming a perfectly-imperfect team? Forget being the best. Will she be enough to help her new friends survive the season?
