This beloved classic celebrating all kinds of families is a perfect entry into the world of New York Times bestselling author Todd Parr. With his colorful illustrations, playful humor, and inclusive storytelling, beloved author Todd Parr has long been a favorite among young readers and caregivers. His books promote an essential message of love and acceptance that is inspiring, empowering, and accessible. Some families have two moms or two dads. Some families have one parent instead of two. Some families live in a house by themselves. Some families share a house with other families. All families can help each other be strong! The Family Book celebrates families and all the varieties they come in. Whether they're big or small, look alike or different, have a single parent or two, Todd Parr assures readers that every family is special in its own unique way. Bilingual edition, The Family Book / El libro de la familia, also available for purchase.
