The Game of Thrones of adult fantasy/horror manga roars toward the finish line, collecting Berserk volumes 37-39 in the original oversized serialization format and with updated translations and three fold-out color posters. Guts the Black Swordsman and company reach the island of Skellig in hopes that Elven magic can heal the afflicted mind of Casca, but first they must face the island's terrifying magical defenses. If they can pass through and reach Elfhelm, the Flower Storm Monarch of the Elves can perform the ritual that might free Casca. But failure will mean their long, perilous journey will have been for nothing! Collects Berserk Volume 37, 38, and 39.
