Betrayal Broke Them Once...We can't afford to indulge in this attraction, but our connection burns too brightly to ignore. Dahlia My husband was the second man who betrayed my trust when he left me alone to raise my daughter. Asher was the first. I found solace from both in my novels, writing about the hero I'd lost. But in those bestselling books, Asher-I mean my hero-didn't shatter my heart the way he had in real life. Asher There were so many things I couldn't say to Dahlia when she was seventeen. But I've never forgotten the only girl I ever loved. My voice and song-writing talent made me star. Fame extracted its price. Now I have another chance-the chance to restore her faith in love. The chance to find it for myself. I'm not letting Dahlia go now that I have her in my arms again. Perfect for fans of the Kendall Ryan, Carly Phillips, and A. L. Jackson, Sweet Solace and its sequels take readers on an emotional, sexy journey of hot men and their feisty women who are transformed by courage, self-sacrifice, and love.
