A sparkling Christmas read from the Sunday Times bestseller perfect to snuggle up with this winter! Hannah and Nico are meant to be together. But fate is keeping them apart. As soon as Hannah bumps into her brother Rob's best friend Nico in Stockholm, the two rekindle a fast friendship. But Hannah has a boyfriend and Nico has two children to look after. When Hannah loses her beloved shop in Stockholm, though, she is forced to move back to the little village of Middledip only to find Nico has just moved in too. Under the same snowy sky, can the childhood friends make a romance work or are there too many obstacles standing in their way? A heartwarming story of love, friendship, and Christmas magic, perfect for fans of Trisha Ashley and Jill Mansell.
