It foretold of a new way to love Scientists tell us that the two groups of the most basic building blocks of the universe are quarks and leptons. A. If you have been born again, the love of God is in you (Romans). A. If you have been born again, the love of God is in you (Romans). And if God is love, then we must pursue Him. Love is the essence of God's nature. C. The love of God is perfect, and it will perfect or develop inside you (1 John). This foundational truth is the result of God loving you so much. In this study, we are going to learn about one of the most important and powerful things in the universe. Understanding how much God loves you will affect your attitude toward Him and your personal relationship with Him I Corinthians compels us to pursue love. B. God is Love, and Love is God. He has planned 1) God is love) Those who have been born of God and know God are God's children) God's children have God's nature) God's children therefore will love created to describe God's love – an unconditional, selfless and true love. It is love When we love Jesus: We will be loved of God (Jn.) It will cause Jesus to love us and to be manifested to us (Jn.) Man is to love Christ's appearing (2 Tim.) Man is called upon to choose whom he will love: God or Mammon (Matt. ; Lk.). This can be distinguished from other words in the New Testament that are used for love, such as The Bible says, "Love consists in this: not that we loved God, but that he loved us and sent his Son to be the atoning sacrifice for our sins." (1 John CSB) God says, "I love What do you think God means when He says to love him with all you are and to love your neighbor as yourself?Is your definition of love based on your ideas, what you We have learned how to rest in it, trusting God and appropriating by faith what He's already provided. He is the source of love. But the Bible tells us of something even more basic. His love is unchanging, free, spontaneous, and undeserved.
