Grief is like a snowflake. Each snowflake is different and everyone shows grief differently. After the death of his father, Little Tree begins to learn how to cope with his feelings and start the healing process. With the help and support of his family and friends, Little Tree learns to cope by discovering what is really important in life, and realizing his father's memory will carry on. Best-selling author, Julia Cook, and a lovable cast of trees, offers a warm approach to the difficult subject of death and dying.
