ELECTRONIC HALL PASS SYSTEM FOR SMARTER SCHOOLS

How to use

e-hallpass

Ehallpasspage HACKERSPACE

https://ehallpass.page/

Description

To log in to the website https://ehallpass.page/, you will need to enter your username and password in the designated fields on the login page. Once logged in, users can utilize the eHallPass platform for digital hall pass management, allowing for efficient tracking of student movement within school buildings. The platform also enables educators to maintain accurate, real-time data on student whereabouts and activities during the school day.
