June can't tell a lie - and that made for a lot of drama even before she joined her school musical! An enchanting middle grade series that readers won't want to miss. Honestly, June has a hard time telling the truth when it isn't what people want to hear. But she's trying to be honest with herself, and auditioning for the school musical is what she really wants even if her parents have other ideas. But the drama is brewing offstage, too. On the night of the play, June's secret blog is released to the whole school. ALL of the inner secrets she's been desperate to keep to herself are unleashed! Will her friends and family forgive her fibs? Or will this be June's final act?
