ISBN-13: 9781536224108

Mary Murphys big, eye-catching graphics and bouncy, ebullient text are sure to enchant readers who are celebrating a baby - or relishing their own claim to the title. I saw the baby! Did you see the baby? Yes! I saw the baby, the teeny weeny thing. Its so exciting! News of the baby is buzzing from animal to animal, with each one - fish, bird, squirrel, insect, frog - boasting of seeing, feeding, singing to, tickling, and kissing the tiny little thing. With bold black-and-white illustrations and a flash of vivid yellow for the wee chicks appearance at the end, Mary Murphys simple, singsong story captures the giddy commotion only a baby can bring.
