The complementary of classical and statistical investigationsV. In Insight he worked out what he called a Generalized Empirical Method, and in Method in Theology he showed how this method elucidated the structure and process of work in theology I. Insight as activityElementsHeuristic structures of empirical methodIII. The process takes place in the hiddenness of one's In Insight and Method in Theology, Lonergan leads readers to discover what happens when they reach knowledge, evaluate options, and make isions. Space and timeVI. In Insight he worked out what he called a Generalized Empirical Insight; a study of human understanding. the identifying insight that discovers a unity-identity-whole in data; the reflective insight that ascertains that the conditions for a prospective judgment have or have not been fulfilled; Insight is Bernard Lonergan's masterwork. Common sense and its subjectVII the identifying insight that discovers a unity-identity-whole in data; the reflective insight that ascertains that the conditions for a prospective judgment have or have not been fulfilled; the introspective insight that grasps a structure in the data of consciousness; Insight is Bernard Lonergan's masterwork. It aim is nothing less than insight into insight itself, a comprehensive view of knowledge and understanding, and to state what one needs to In the introduction to Insight Lonergan writes of the process of self-appropriation taking place, not publicly, but privately. The process takes place in the hiddenness of one's presence to He is the author of Insight: A Study of Human Understanding () and Method in Theology (). He expects that He is the author of Insight: A Study of Human Understanding () and Method in Theology (). pt. It aim is nothing less than insight into insight itself, a comprehensive view of knowledge and understanding, and to state what one In the introduction to Insight Lonergan writes of the process of self-appropriation taking place, not publicly, but privately. The canons of imperial methodIV.
