He never expected the girl whose heart he stole would get him put behind bars...Everyone has secrets. Mine should have come with a warning label: May cause heartache and emotional trauma.I've only ever been in love once. She ripped my heart out when she dumped me and married another player in the league.After a perfect night with Charlotte and an incredible first date, my disastrous ex-girlfriend shows up on my doorstep in the middle of the night.I shouldn't let her in. I ought to chase her away, but it's the two-foot blue-eyed little boy that has me awestruck. And he might be my son. Professional hockey player, yes. Father?I'm waiting on the paternity test to find out the results. No one knows about him. Not my best friends. Not my team. And certainly not my new girlfriend, Charlotte. She's perfect. At least, she seems that way until she calls the cops and gets me dragged off to jail. And now I can't forgive her. Arresting the Hockey Player is the third book in the Ice Dragons series but can be read as a standalone. No cheating. No cliffhanger. HEA.
