When a climber suspiciously falls to his death and a local artist has her dog stolen, both cases fall into the lap of local sleuth, Patricia Fisher but they should have come with a warning.No sooner does she start to investigate, than a mysterious underworld figure issues a confusing threat. What has she uncovered?Local boy, Sam Chalk, wants to help, his antics amusing but seemingly nothing more than a distraction. Does he know something though?With time running out to save the dog, and the climber's death looking like nothing more than a terrible accident, a chance discovery will rock Patricia's world.If only she had listened to Sam.Get ready for a new series of thrills!
