You can now build Johnny using the Lego Set, Liebherr using the instructions below We've made thousands of LEGO instruction booklets available online. Full program guide for use with the official LEGO Powered Up app is included. Search by theme or year and LEGO MOC done from instructions on Rebrickable, using parts from Set Li herand in this corner, coming in at pounds ounces, we have Johnny 5! Missing: pdf Anyone know where I can get a hold of the MOC PDF for Johnny 5? The build is modular with easy-to-follow step-by-step build instructions in PDF format. Full program guide for use with the official LEGO Powered Up app is included. If you have the Liebherr, I can recommend RJ's Johnny is finally alive! You've come to the right place! This is an alternate build of the Lego Set, Liebherr Anyone have the pdf instructions since there all been taken down Johnny is alive! Make sure to check the compatibility of your device with the Powered-Up App. Includes instructions for a poseable mini-Johnny from the unused pieces of set This is an alternate build of the Lego Set, Liebherr Parts list used in the MOC is listed so you can opt to just buy the required parts instead of buying set Motorized features include: Tank drive for both tracks Arms upward/downward movements Head turn Head tilt Body tilt Manual play features include This is a very worthy b-model for the Liebherr, and showcases the possibilities of the PoweredUp system very well. Make sure to Home Official LEGO® Shop US Looking for LEGO® building instructions? It's not a one-on-one replica, but using only the part of the donor set, and with all build-in functions, RJ Brick Builds managed to capture Johnny very well. Its gone from rebrickable The build is modular with easy-to-follow step-by-step build instructions in PDF format. The design is spot-on.
