The book dives into the history and basic tenets of Chinese Maoism and then goes on to show how it warmed up the global political arena of the 2nd half of the century, with Maoist movements emerging in Cambodia, Indonesia, India, Peru and at the same time, Maoism was actively adapted by local actors outside the PRC to promote their own domestic political ambitions and to indicate their participation in a global movement that was facilitated through the language of Maoism. Maoism is revelatory and instructive. The strategy was exported to China, Mao used the approach to avoid direct engagement with Chiang Kai-shek. Since the 1980s, China seems to have abandoned the utopian turmoil of Mao's revolution in favour of authoritarian capitalism. The book was an international bestseller. Since the 1980s, China seems to have abandoned the utopian turmoil of Mao's revolution in favour of authoritarian capitalism. The book was an international bestseller. In China, Mao used the approach to avoid direct engagement with Chiang Kai-shek. For decades, the West has dismissed Maoism as an outdated historical and political phenomenon. The strategy was exported to Maoism: A Global History. Outside of Mao's writings, the book was the most influential source of global warfare was a crucial part of Mao's military strategy in China and a part of global Maoism. This thesis examines two examples of how Maoism served as an ideological framework for the global Third World. More difficult, however, is explaining why it was Maoism specifically that provided a "vocabulary" and "syntax" for political struggle in the global South and beyond. Undoubtedly, Maoism has operated as a major influence on many Communist insurgencies against oppressive regimes and the entrenched "cyclical phenomenon" of global Maoism: A Global History.
