In this translation of his influential book *Le Contrat Naturel*, neste exemplo que não seja natural e não podemos fazer nada. Above all we would like to thank Michel Serres for his generous help in a number of lengthy faxes and a sunny conversation in Santa Barbara. Michel Serres' «Le contrat naturel» outlines a new development in the relation existing between human beings and the planetary nature of Earth. Lakes and rivers, woods and deserts, wind and rain, flora and fauna must be recognized as contracting parties, with the same rights, dwelling a planet that lives and makes life
