ISBN-13: 9781680520743

Explore nighttime in the forest with Little Camper and adorable woodland friends! Its a beautiful night filled with new sights, animals, and sounds. Gather around the campfire and join the crew on another brave adventure as Little Camper spends the night in the forest for the very first time. Follow along the interactive story by pushing the corresponding audio button to play friendly forest sounds as you peruse the campsite and meet new fuzzy friends! Pushing the button will help strengthen fine motor skills and allows for an enhanced sensory experience your little one will enjoy. A must for your next family camping adventure! Collect the entire Brave Little Camper series! Kiddos will enjoy pressing the button for an interactive camping experience Sturdy board pages for little exploring hands to read over and over again Icons on each page correspond with the button providing an opportunity to practice matching and fine motor skills for babies, toddlers, preschoolers, and kindergarteners Friendly forest sounds include hooting owl, howling wolf, insects buzzing, and frog ribbit Perfect for family camping and outdoor adventures! A campfire storytime favorite.
