DISCUSSION QUESTIONS INCLUDED Story Behind the BookWhen my six kids eyes glossed over during a reading from the Bible, I paused to explain the significance of redemption to a sin-sick soul. I was rewarded with patronizing elephant nods and more blank stares. Shortly thereafter, I awoke in the middle of the night with a medieval story enveloping my mind. I wrote it down and later read it to my children. Their waning attention transformed into complete anticipation. I was amazed and disappointed. Why did it take a fictional story, not a Bible passage, to get that response? Then I realizedthat is how Jesus taught! Parables are powerful! I penned the Kingdom series to help young people get excited about the supremely significant story of Jesus Christ and His mission to save mankind. Chuck Black
