A sister's worst nightmare. A homicide detective's destiny. Everybody loves Claire's little sister, Tina. But only Claire sees the twisted psychopath hiding behind her sister's angelic face. When Tina is brutally murdered on her fourteenth birthday and while in Claire's charge, Claire never forgives herself. And neither does their mother. Twelve years later, more girls turn up dead in Newburgh exactly like Tina. Claire, now a police detective, suspects that her sister's murderer is still on the prowl. But the serial killer stumps the FBI forensic profiler assisting the case and Special Agent Robert Cline-Claire's old flame. When Claire becomes the lead suspect in the murder investigation, the system turns against her. Unable to trust anyone-not even herself-Claire must break every rule in the book to save the next girl. With time running out in this nerve-shredding psychological thriller and harrowing family drama, a shocking discovery changes everything. Is Claire's sister truly dead-or is she playing one final lethal prank? YOU DID THIS is the first book in the Claire Wolfe Thrillers series and can be read as a standalone mystery. Fans of Mike Omer, Robert Dugoni, Melinda Leigh, and Karin Slaughter should get to know Claire Wolfe. PRAISE: "Absolutely riveting!" "I couldn't put it down!"
